Plan A

- Less expensive due to fewer days needed (if all teams train only once instead of twice).
- Teams will get a chance to train twice, if permissible.
- Rest Day is included.
- Teams will be refreshed for SFs and Finals - spectators will appreciate less-tired athletes playing their best.
- 3 days of preliminary round covering a full day without a break (should be ok if a rotating corps of at least 12 referees are used with 4 working per court.)
- Referees will have a heavy workload during preliminary round, but manageable.

Plan B

- Half of all teams get rest on alternating days during preliminary round (7 matches in 10 days).
- No match scheduled during solar noon.
- 12 referees will have a light workload during preliminary round.
- More expensive due to extra days required? No Rest Day in this plan at all.
- Preliminary Inquiry meeting to be scheduled earlier? July 23?
- Teams can only train once. They need to find a place elsewhere to train on their own if they want more.
